**S2H3 Tail of the Trail 18 April 2010, Run #279, Hares:** Sheep Shagger and City Girl, **Location:** Hot Shot Golf Driving Range

**Secret Scribe Report ... Gentlemen and Junkyard Dogs (Onsec Note - 17 regular hashers and two hares showed up for this first run after the brewery run, apparently the rest were still in recovery. Returners included Dripper, Hand Job, TiT, \$100 Sex Test, and Ball Slapper.)**

The hounds set out for Run 279, hared by City Girl and Sheep Shagger], on a beautiful Sunday afternoon. Our valiant GM, Adorable Blue Balls called on on as he led the pack through the bristly shrubbery, dirt trails and concrete paths of the Hot Shot golf environs, earnestly searching for chalk, paper, any marking. After Celina and the Tickler had exhausted every check, and just as the pack feared Run 279 was a run around the block, Disgusting ventured to the klong, where Ambrose broke out ahead, demonstrating stamina, agility and team spirit as he circumnavigated klongs, parks, fences, moto speedways and construction zones, only surrendering the lead as the pack entered the junkyard and trashheap phase of the run. Leaving the hounds to conquer the smouldering trash, junk yard dogs and rats viewed only by Late Coming Ball Slapper, Disgusting and Ambrose forged

ahead to prepare the end site for the pack.

The hounds finished the run at the driving range parking lot just before sunset, having completed a 6 km or 9km route, depending on whose GPS was consulted. Sugar Daddy, Hot Momma and the walking pack soon followed, having completely receded the area. The hares provided a perfect feast of roast chicken and beer. Adorable Blue Balls called the circle to order, rewarding volunteers, Naret and Ambrose and forcing the hares to admit the clever run was set with one piece of chalk and a back pack full of paper, an admirable feat in these economic times. The circle proceeded with the usual down downs for visitors, returners, and the Tickler rewarded and/or punished the hounds as appropriate with particular attention paid to those with beautiful legs, a rare and valuable commodity to be protected on the Hash. Special thanks was given to the GM, Ambrose and all those who organized Run 278 at the Heineken Brewery. All in all, it was a great Hash. On on!

**HASH BALL REPORT FROM THE SENATOR**

**Dear Friends,**

**About 100 guests came to the Ball and we have nearly 50,000 Baht left to be given to Pitak's family.**

**Hash Humor.**

Some interesting observations on the Taliban by that great American philosopher, Jeff Foxworthy:

"YOU MAY BE A TALIBAN IF..."

1. You refine heroin for a living, but you have a moral objection to liquor.
2. You own a \$3,000 machine gun and \$5,000 rocket launcher, but you can't afford shoes.
3. You have more wives than teeth.
4. You wipe your butt with your bare hand, but consider bacon "unclean."
5. You think vests come in two styles: bullet-proof and suicide.
6. You can't think of anyone you haven't declared Jihad against.
7. You consider television dangerous, but routinely carry explosives in your clothing.
8. You were amazed to discover that cell phones have uses other than setting off roadside bombs.
9. You have nothing against women and think every man should own at least four.
10. You've always had a crush on your neighbor's goat.
