S2H3 Tail of the Trail 4 April 2010, Run #278, Hares: Clyde "Adorable Blue Balls" Albrecht, Tony "Ambrose" Erswell, Jo "Big Package" van Aubel, Location: Heineken Brewery Secret Scribe Report ... (on sec note: per the list I got, which Richard said had 72 on recount I only found 69 including the three non paying guests ... an appropriate number for a hash I think!)

This write up is to document the happenings of S2H3 Heiny run, for those who missed it, and those who got too drunk to remember it.

It started off simply enough: we gathered en masse at Lumpini Park, huddled in the shade, waiting for our green Heineken chariot to appear. Not knowing how far out the brewery was, a few hashers boarded with already full bladders. Bad news for visitor, Marielle, and Colonel Gaddafi; after an hour of holding it, they were looking for any patch of green or rice paddy ditch to relieve themselves in. To be nice to those in pain, the bus driver did a drive through of a gas station, only to never slow down, and yell "hong nam mai mee!". Marielle and Gaddafi sent him lots of good karma for the gesture.

Arriving at the Heineken factory was like a scene out of "Charlie and the Chocolate Factory". Rubbing our eyes, we beheld the beauty of this industrial complex, the Mecca of all hashers. We were given an extensive tour, with a brewing-for-dummies video (Check!). Watch out hashers, your future down-downs might be a bathtub concoction from Bushman or Sugardaddy. The brewery tour was kept to the catwalks the floor above where the real brew action takes place. Heineken knew who they were dealing with, they didn't want to take any chances.

gave some simple run instructions, and we eagerly started so we could quickly come back to the unlimited brews.

The run: long, hard, hot. With only one beer stop to quench our thirst, many were left sober for far too long. Here are the events of the run, in no particular order. With the FRBs blazing through checks, the pack got strung out. So hashers started to get sloppy, doing things without fear. Like too many shirtless runners without the six-pack to warrant it. Many a Thai farmer was blinded by the pasty beer bellies on parade. McSwirly Face, after making a massive detour that led him far away from his FRB friends, decided to give back to Thailand's farmers by "making a doo-doo" (yes, his exact words) in a field. **(On Sec Note – Also want to recognize Anal Rape seen straddling a rice paddy ditch with one leg up to his hip in mud and trying to find his shoe at the bottom of the goo; the girlfriend of Jo ' Every American Woman's Big Package' attempted to imitate Anal Rape with a similar step deep into the goo but managed to hold onto her shoes.)** Boob a Lube took it upon himself to take a shower along the way; he used a factory hose to get the sweat off himself, but ran away before turning it off.

Back at the brewery, we indulged in snacks, beer, and rubber-necking at the Heiny girls. Many a female hasher explained to the manager the importance of having some Heiny studs around; hopefully he will get this sorted for next year's run.

Forgive your scribe, because there were far too many new faces, far too many visitors, and your scribe was far too drunk to remember the specifics of the circle; but it went something like this. Noriega is now a Jehovah's witness and tried to use his new-found healing powers to mend Canadian Bacon's fractured ankle and a visitor's ailing leg. He was when then promptly punished for lack of hubris with epic amounts of beer. Spinning Dwarf, McSwirly Face, and Noreiga were punished for playing ABBA at the On on for a BFMH3 party (guess they can't get enough Mamma Mia). Boob a Lube wanted to give a warm hash birthday cheers to a visiting female, but Bruce, not finished with his airing of grievances, pushed

her out of the circle. What ensued was a combo of bravado, drunkenness, and some lawyer-ly negotiations as to who needed to drink for what offense. Be forewarned hashers: bring legal representation to the circle, or just an abiding liver. Past S2H3 GMs were honored by the current GM, and it was a cute photo opportunity that hopefully some one will Photoshop into something compromising and nasty.

The Heineken plant manager, after giving us free snacks, free beers, and free t-shirts, agreed to let us back onto Heineken property next year for another hash shin-dig. You heard it S2H3, prep your livers, start training, you've got 51 weeks until your next Beerfest at the Heineken plant!

Hash Humor.

Picture below of Yad and her friends celebrating her 50th birthday on Friday preceding the run Doesn't look that old now does she???

First we had class Bimbo is trying to figure out how to con the brew master out of advertising money for his magazine.

Bruce Weeks as you can see, has attention deficit disorder and is staring at a fly on the wall wondering when the drinking will start.
